- 1 The Group continued its operations during lockdown due to outbreak of COVID-19 as electricity generation is regarded as one of the essential services by the Government. The Group's substantial generation and transmission capacities are tied up under medium to long term power purchase / transmission agreements, which insulates revenue of the Group under such contracts. The notices of applying force majeure clauses under the power supply agreements from some of the customers have been responded under legal advice that the prevailing situation is outside the ambit of force majeure clause. This position has also been further supported by clarification from Ministry of Power that the DISCOMs will have to comply with obligation to pay fixed capacity charges as per the power purchase agreement. Merchant power sale has witnessed lower demand due to economic slowdown, and consequential impact on tariff. Based on the assessment, the Management does not expect any medium to long-term impact on the businesses of the Group. The Group has evaluated the possible effects on the carrying amounts of property, plant and equipment, goodwill, inventory, loans, receivables and debt covenants basis the internal and external sources of information and determined, exercising reasonable estimates and judgements, that the carrying amounts of these assets are recoverable. Having regard to above, and the group's liquidity position, there is no uncertainty in meeting financial obligations in the foreseeable future.
- 2 For the year ended March 31, 2020, exceptional items comprise write back of contingent consideration of ₹ 177.48 crore being no longer payable and an additional loss allowances of ₹116.02 crore on a loan, pursuant to debt resolution agreement entered into with the party on January 2, 2020.
- 3 The Group has only one reportable operating segment i.e. 'Power Generation'.
- 4 In respect of the hydro power plants of the Group, due to seasonal nature, the financial results may not be comparable with the previous / subsequent quarters and periods.
- **5** The consolidated results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 31, 2020. The Statutory Auditors of the Company have carried out a limited review of the results for the quarter ended June 30, 2020.
