Notice cum Addendum for Creation of Segregated Portfolio in the Scheme and Key Information Memorandum (KIM) of Parag Parikh Liquid Fund

Notice is hereby given that in terms of SEBI vide its circular dated 28/11/2018 (SEBI/CIR/P/2018/160) read with its circular dated 07 November, 2019 (SEBI/CIR/P/2019/160) advised that portfolios by mutual fund schemes investing in debt and money market instruments should be segregated. In this regard, the Board of Directors of PPFAS Asset Management Private Limited ('PPFA') and PPFAS Trustee Company Private Limited ('PPFAS TC') have approved the creation of segregated portfolio of debt and money market instruments in the Scheme of PPFAS Mutual Fund (PPFAS MF), Parag Parikh Liquid Fund (PPFAS PLF) as follows:-

Accordingly, it is proposed to incorporate the following provisions in the Scheme of PPFAS PLF:

A. Introduction:

"Pursuant to SEBI circulars dated December 28, 2018 and November 07, 2019, the following provisions are being incorporated in the Scheme of PPFAS PLF:

1. Reducing Sharp fall in NAV of Schemes
2. Reducing Redemption pressure & liquidity risk
3. Safeguarding good quality papers & creating confidence in market
4. Mitigating reputational risk

Accordingly, this policy is being laid down to comply with the SEBI instructions. **Segregated Portfolio:** The portfolio comprising of debt and money market instruments affected by a credit event and shall also include the unrated debt or money market instruments in actual default.

Main Portfolio: Scheme portfolio excluding segregated portfolio
Total Portfolio: Scheme portfolio including the securities affected by the credit event.

B. Need for segregated portfolio:

While very stringent internal credit evaluation norms are being followed, credit downgrade in portfolio companies due to various factors can lead to downgrade of the portfolio instrument generally become illiquid. Such a situation will prevent the distressed asset(s) from being sold at a price that would allow the issuer to recover its investment. It also provides fair treatment to investors, as any recovery from the issuer in future would get distributed to investors who would have suffered a loss due to downgrade event.

C. Credit Events:

Segregated portfolio may be created, in case of a credit event at issue as defined by a SEBI registered Credit Rating Agency (CRA), as under:

- 1) Downgrade of a debt or money market instrument to 'below investment grade'
- 2) Subsequent downgrades of the said instruments from 'below investment grade'
- 3) Similar such downgrades of a loan rating.

The most conservative rating shall be considered, if there is a difference in the rating of the segregated portfolio shall be based on issuer level credit event as defined in the ISIN level.

Actual default (for unrated debt or money market instruments)

In case of unrated debt or money market instruments, the actual default shall be determined by the issuer.
